Experiences

Apex Photo Studios / Studio Coordinator & Editor

March 2023 - Ongoing

I manage studio bookings, client communications, and ensure spaces are prepared for bookings. I support the company's multimedia projects, including podcast production, content editing, and social media management. My work spans full-episode editing, short-form promotional content, and corporate video projects for diverse clients.

Vail Valley Live / Remote Video Editor

December 2022 - December 2023

Working remotely, I edit a variety of online videos for the company from documentaries to commercials. Duties include maintaining an organized file management system, editing projects within a timely manner, and communicating with producers for project specificities.

InRage Entertainment / Editing Intern & A&R Talent Scout

January 2022 - May 2022

Working remotely, I edited a variety of online videos for the company from documentaries to commercials. Duties included editing projects within an organized and timely manner, providing creative constructive feedback to my peers, and filming behind-the-scenes content.

AMC Theatres / Crew Member

June 2017 - July 2018, AMC Brentwood 14, Brentwood, CA

I worked under positions in the concession stand, the box office, and greeter which have provided me solid knowledge and experience delivering quality customer service.

Alameda County Sheriff's Office Video and Multimedia Unit / Intern

June 2017- February 2018, Print Shop, Dublin, CA

Working alongside the head videographer, I assisted in the filming and editing of events for the Alameda County Sheriff's Office internal system.
