PROFESSIONAL PROFILE

Energetic, dependable, and detail-oriented video editor with over six years of experience specializing in project management, post-production and video editing. A proven track record of managing video production projects and collaborating with creative teams to refine storytelling. Adept at translating long-form content into short-form videos.

EXPERIENCE

FREELANCE VIDEO EDITOR (REMOTE)

Vail Valley Live | December 2022 – Present

- Evaluate and select scenes for pacing, entertainment value and continuity, trim shots and edit content.
- Perform post-production work using programs in Adobe Suite, including assembling raw material, editing sound and sequences, and providing final product within time restrictions.

EDITOR

CSUN Thesis film: *Through the Screen Door* | June 2022 – December 2022

- Efficiently offloaded camera media onto designated hard drives.
- Collaborated with FotoKem for transcoding footage and proper Avid project file management.
- Edited film using Avid Media Composer.

EDITORIAL INTERN (REMOTE)

InRage Entertainment | January 2022 – May 2022

- Developed and managed projects including post-production editing and final delivery of documentaries, commercials, and behind-the-scenes content. Filmed behind-the-scenes content for clientele.
- Brainstormed and provided constructive feedback to achieve team goals.

EDITOR / PRODUCTION ASSISTANT

Short film: *Meet the Cowbirds* | August 2021 – May 2022

- Organized project media with Premiere Pro, assisted development for an efficient system of media logging and editing the film.

EDITOR

CSUN short film: *Time Flies* | January 2021 – May 2021

- Ingested raw footage, employed an efficient media logging system and completed the short film with Avid Media Composer.

VIDEO EDITOR INTERN

Alameda County Sheriff's Office Video/Multimedia Unit | June 2017 – February 2018

- Worked alongside the head videographer in filming and editing events for the sheriff's office for internal systems and external projects.
